

To travel to Provet AG by train:

Note:

Do not go to the centre of Lyssach, which is about 4 km away from Provet AG. Alternatively take a taxi from Burgdorf station which will take approximately 12 minutes.

In Burgdorf main station, change then to the regional train RM (Regional-Mittelland) and get off at the station of Kirchberg-Alchenflüh. From there to Provet, you need about 3-4 minutes by foot (see map).

From Zurich airport

Zurich airport has a station of its own and from there you can catch a train direct to Burgdorf - it takes approximately 1 1/2 hours.

From Geneva airport

Geneva airport also has a station of its own and from there you can catch a train to Berne which takes just under two hours, from there the train to Burgdorf takes approximately 15 minutes.
